SPEAKER: The chair recognizes Senator Cavanaugh.

CLERK: That is all, Mr. President.

SENATOR CAVANAUGH: Mr. President, I request unanimous consent to withdraw LB 151 for the reason that LB 166 introduced by Senator Carpenter covers substantially the same matter as LB 151.

CLERK: 151.

SENATOR CAVANAUGH: Yes.

SPEAKER: 151. Your request will be held over for a day. Thank you.

SENATOR CAVANAUGH: Thank you.

SPEAKER: Senator Cavanaugh. Is there any other business on the desk?

CLERK: That is all, Mr. President.

SPEAKER: Senator Syas.

SENATOR SYAS: Can we do it without controversy today? I move we adjourn until 10:00 A.M., Monday.

SPEAKER: There is a motion to adjourn until 10:00 A.M., Monday. The chair recognizes Senator Marvel.

SENATOR MARVEL: I wonder if you could hold that up just a second until I get past--I am trying to initial these--the latest fiscal outlook for the state or let me make the announcement and then go ahead Senator Syas. We're passing out--the committee has this already. I think the Legislature should get the latest information that we have which will be constantly updated on requests and on income and on revenue sharing. These are figures for your own information. They will be passed out within the next moment or two. They've got my initials on it. It comes from our fiscal staff. If you have additional questions, Mr. Bill Brunson is over here underneath the balcony or would be available next week if you have questions. Thank you.

SPEAKER: Thank you, Senator Marvel. That's important information. Is there any other business to come before the body? If not, the motion is to adjourn until 10:00 A.M., Monday. All those in favor of the motion say aye, those opposed say no. So ordered, we're adjourned until 10 o'clock, Monday.
